If you are already participating in the monthly tax program and wish to withdraw or change your payment option please advise the Town Office **PRIOR** to January 1, 2008, or your payments will continue under the same option as 2007.

### > Christmas Decorations:

In keeping with the Town's new direction, we have made some much needed changes to our Christmas decorations. Our old decorations were becoming unsafe to use after battling 30 years of Grande Cache winds. The mounting brackets were beginning to fail, causing the decorations to fall off the light standards. This situation was of great concern because of the danger to the public. We decided to abandon them, and go with a new approach. We are in the process of making new decorations, however we did not get them completed in time for the Christmas season. We do hope to be ready for next year with a brand new look. We hope you will be patient with us during this transitional time and look forward to lighting up for next year.

### > Snow Removal:

The winter season is upon us and with it comes the snow! The removal of snow from the Towns roads and sidewalks continually causes problems with windrows in driveways, icy or snow covered sidewalks. Keeping the roads and walkways clear and safe is the top priority of the Public Works Department after a snowfall. There are situations that complicate our job, one of them being homeowners pushing snow from their driveways out onto the street. This is not only illegal, but it creates problems for the neighbours across the street. The snow pushed onto the road from the driveway builds up on the grader blade and does not come off until the next point of release, which is the driveway across the street. The Public Works Dept. would greatly appreciate your help in remedying this situation. Please pile your snow on your own property (i.e.) the lawn or beside the driveway. This situation will be monitored for the next snowfall and individuals who choose not to comply may be subject to fines. *Thank you for your cooperation!*

### > Business Licenses:

Effective January 1st, 2008 **all** business licenses must be renewed. Please note that all business operating in Grande Cache **must** have a valid business license as per By-law #416. New business licenses and renewals are available at the Town of Grande Cache Administration Office.

### > ATTENTION Dog Owners:

Dog licenses expire on December 31, 2007. Under By-Law No. 646, possessing or owning a dog without a license is contrary to the By-Law and subject to prosecution as stated in Section 13 of the said By-Law. License for each neutered male or spayed female dog shall be ten dollars (\$10.00) and twenty (\$20.00) dollars for each male or female dog. Notice or ticket may be issued for the offences specified herein, but in such cases the payment shall be in the following specified amounts:
